Acquisition Policy Oversight and Business Strategies

Attachment

ATTACHMENT (1)

Federal Acquisition Regulation Circular (FAC) 2005-49 amends the Federal Acquisition Regulation (FAR) as specified below:

List of Rules in FAC 2005-49

- I. Public Access to the Federal Awardee Performance and Integrity Information System (FAR Case 2010-016) (Interim)

SUPPLEMENTARY INFORMATION: Summaries for each FAR rule follow.

Item I - Public Access to the Federal Awardee Performance and Integrity Information System (FAR Case 2010-016) (Interim)

This interim rule amends the FAR to implement section 3010 of the Supplemental Appropriations Act, 2010 (Pub. L. 111-212), enacted July 29, 2010. Section 3010 requires that the Administrator of the General Services post all information contained in the Federal Awardee Performance and Integrity Information System (FAPIS), excluding past performance reviews, on a publicly available website.

This interim rule notifies contractors that FAPIS data, excluding past performance reviews, will be available on or after April 15, 2011 and creates a new FAR clause to support the posting of information in FAPIS. Contracting Officers are encouraged to the extent feasible to amend existing solicitations in accordance with FAR 1.108(d), in order to include this revised clause in contracts to be awarded on or after the effective date of this rule.
